No.F.14018/1/25-PR/58

Dated: Aizawl, the 5th August, 2026

A Crime Review Meeting of Mizoram Police was held on 5 August 2026 at the DGP Conference Hall, Police Headquarters, Aizawl, under the chairmanship of the DGP Pu Sharad Agarwal, IPS. The meeting reviewed the crime situation in the State, investigation and detection of cases, narcotics enforcement, use of technology in policing, cybercrime and other important policing issues.

A total of 1,612 cases were registered during this year up to 15 July 2026, comprising 1,066 cases under IPC/BNS and 546 cases under Special and Local Laws. This represents an 8% decrease compared to 1,753 cases registered during the corresponding period last year in 2025.

The overall detection rate stood at 73%, reflecting the continued efforts of Mizoram Police towards effective investigation and detection of crime. The review also highlighted a substantial decline in theft and burglary cases. Of the 1,066 cases registered under IPC/BNS, 758 cases (71%), related to theft and burglary. Despite accounting for a significant proportion of IPC/BNS cases, the number of theft and burglary cases has declined by 20% compared to 2025. The figures were reviewed with a view to further strengthening preventive policing, investigation and detection, particularly in property-related offences.

The meeting reviewed the functioning of CCTNS, ICJS 2.0, along with the utilisation of NATGRID, CRIMAC, ITSSO and other police portals, visits of Mobile Forensic Vans to crime scenes and transfer of Zero FIRs, the use of e-Sakshya, NAFIS at Police Stations and District Police levels, the use of the NEXUS App, Technical Support Units, etc.

The review of crime statistics and operational issues reaffirmed Mizoram Police's continued focus on crime prevention, effective investigation, technology-enabled policing, forensic response and coordinated enforcement.
