Subj : Submission of FIR
Ref: KZL PS GDE NO 4 /2026 @ 6:00am Dt 30.9.2026

Madam,

On 30.09.2026 at approximately 6:00 am, I, along with my team, departed from Khawzawl Police Station for the purpose of conducting random checking within the jurisdiction of Khawzawl District. While conducting checking duty at Neihdawn Junction (NH-6), we observed an NTorq scooter approaching from the Champhai side towards our location. On noticing the police checking, the said scooter did not stop and instead proceeded further towards the Aizawl side. We immediately followed the scooter and intercepted it at a short distance from the checking point for the purpose of random checking and verification. The rider was identified as R. Malsawmthara (35) S/o R. Malsawma (L), of Champhai Tuipui and the pillion rider as C. Vanlalsawma (32) S/o Lalthantluanga, of Champhai Mualkawi. The rider, pillion rider and the scooter were subjected to necessary enquiry and verification as per procedure.

I introduced myself to both persons, disclosing my identity and particulars as a Police Officer posted at Khawzawl Police Station. During the course of preliminary enquiry, both the rider and pillion rider disclosed that they were carrying methamphetamine which had been placed on the seat between them. Accordingly, two respectable persons were requested to act as independent seizure witnesses, namely Lalhmachhuana (41) S/o Khiangthuama of Darngawn, Khawzawl and Lalhnehzova (38) S/o Lalramthara of Lungvar, Khawzawl and ground of belief was prepared.

On checking the scooter, one brown Iptepui (tote bag) was found placed on the seat between the rider and pillion rider. Upon opening the said bag, one Dalmia Cement bag was found containing four (4) bundles wrapped with yellow adhesive tape, suspected to contain methamphetamine. Upon examination, each bundle was found to contain fifty (50) black-coloured plastic sachets. On opening and examining the sachets, each sachet was found to contain 202 tablets of suspected methamphetamine, comprising 200 red-coloured tablets and 2 green-coloured tablets. Accordingly, the total number of tablets recovered from the four bundles was 40,400. The said suspected methamphetamine was accordingly seized from the joint possession of R. Malsawmthara (35) S/o R. Malsawma (L), of Champhai Tuipui and C. Vanlalsawma (32) S/o Lalthantluanga of Champhai Mualkawi, in the presence of the two independent seizure witnesses. Thereafter, weighing of the seized suspected contraband at the spot in the presence of the independent witnesses and the accused persons. The total number of tablets was found to be 40,400. For identification and proper documentation, the four bundles were marked as Ex-1, Ex-2, Ex-3 and Ex-4. The respective weights of the suspected methamphetamine were recorded as follows: Ex-1 – 961 grams, Ex-2 – 952 grams, Ex-3 – 960 grams and Ex-4 – 955 grams. The total weight of the suspected methamphetamine was found to be 3,828 grams, having an approximate international market value of Rs 3,06,24,000/-.

After weighing, the seized suspected contraband was carefully packed in parcel boxe and sealed with wax and cello tape and duly labelled. The entire process of counting, seizure, weighing, packing and sealing was conducted at the spot in the presence of the accused persons and the two independent witnesses. The accused persons as well as the independent witnesses signed on the wrappers affixed to the seized parcels. All the procedures relating to the seizure, weighing, packing, sealing and documentation were properly recorded at the spot using the e-Shakshya application.

In addition to the suspected contraband, the following articles were also seized as case property:

1. One Oppo mobile phone, sky-blue colour, SIM No. 8837371728 and IMEI No- 862790066760235/862790066760227 belonging to R. Malsawmthara (35), S/o R. Malsawma (L), of Champhai Tuipui.
2. One Redmi mobile phone, sky-blue colour, SIM No. 8974216556 IMEI No- belonging to C. Vanlalsawma (32), S/o Lalthantluanga, of Champhai Mualkawi.

The said mobile phones were seized as they were suspected to have been used in connection with the commission of the offence.

3. One black-coloured TVS NTorq scooter bearing Registration No. MZ 01 AB 8157, Chassis No-MD626AK31R2E09738, Engine No- AK3ER2006154 which was allegedly used as the conveyance for transportation of the suspected contraband.

In view of the above facts and circumstances, I therefore pray that a case under the appropriate provisions of law may kindly be registered against both the accused persons, namely R. Malsawmthara and C. Vanlalsawma, and necessary legal action may be taken as per law.
