I. SECURITY

Sec 4. (1) (b) of RTI Act, 2005

i) Organisation, Functions and Duties

The office of S.P. CID/SB-II was bifurcated from the establishment of S.P. CID/SB and redesignated as **Office of the Superintendent of Police, Security** on 26th September 1994. With the tremendous increase of VIPs and other dignitaries, the sanctioned strength of Security Unit alone is inadequate to handle the situation and hence a large number of Police personnel from other units are on attachment to this Unit.

Sanctioned Strength of this unit is 226 including Officers, out of which there are 17 vacancies. In spite of the shortage of man-power and attachment from other units, 4 personnel of this unit are on attachment to other units.

The most important role of Security Unit is to protect VIPs and other dignitaries from all kinds of threat. All these VIPs and Protected persons are physically guarded by security personnel from the rank of Constable to Inspector through day and night. In addition to their physical protection, Anti-Sabotage checking, disposal of Bombs and Explosives, Pilot and Escort for VIPs and high dignitaries is the responsibility of Security Unit.

Apart from the protection of VIPs and other dignitaries, Security personnel are also deployed to man all Access Points of Civil Secretariat (New Secretariat and Old Secretariat) and Assembly House where DFMD are installed, Raj Bhawan Gate, Chief Minister's Secretariat, Thuampui Helipad and Lengpui Airport.

There is no written instruction or manual regarding the exact functioning of security unit in Mizoram. The main duties however, are centred on providing security to protected persons of the state.

Categories of protected persons was based on assessment made by the Review Committee comprising of S.P. Security, S.P. CID(SB), SIB and representative from Home Department. This Committee is now formed under the Chairmanship IGP(M) with S.P. Security as Secretary and AIG-I, AIG-III & S.P. CID(SB) as members. PSOs to the protected persons are deployed depending on the threat perceptions. For provision of full proof Security/making of Security arrangement in any circumstances, Guidelines and Instructions issued from time to time by MHA/IB are adhered to.

Govt. of Mizoram had made a separate sanction for Lengpui Airport Security. It functions under S.P. Security and the staff are closely supervised by 1 (one) Dy.S.P. Unlike other states, the Airport Security Staff also man the Entrance of the Airport where DFMD is installed
