## MIZORAM POLICE PRESS STATEMENT

NO.F.14018/1/19-SMC/49

Dated Aizawl, the 19<sup>th</sup> April, 2020

In recent days, there has been an increased online fraud of cheating by fraudsters using internet banking and smart phones.

In a recent incident, one resident (woman) of Aizawl Zarkawt received a call from a fraudster presenting himself as a BSNL Operator (using phone no- 7001527402) notifying her unpaid phone bill, recommended an online payment and offered his assistance. While they were on call, he made her download two authentic phone applications from Playstore – *TeamViewer QuickSupport* and *BSNL Wallet (BSNL Mobikwik)*. While on call, bill of Rs.260 was paid under his instructions using the victim's ATM debit card. Saying that he didn't get payment confirmation from BSNL site, he made her redo the process again and debited Rs.45000/- during this process. She was not suspicious and curious as SMS debit notification didn't reach automatically on the phone. The fraudster called again the next day and informed that the bill got paid twice so BSNL needed to refund it to her account. He instructed to open BSNL Wallet mobile application again and simultaneously asked to check for SBI account balance from SBI QUICK and SBI online banking to see if the refund money got credited. During this process, he again transacted Rs.50000/- , to which there was no SMS alert at the time (received later though). She began to suspect him for a fraud when he asked to type the internet banking password as a text message and after subsequently discovering SMSs for money transaction. SBI authorities were immediately notified to block the concerned debit card and victim's bank account to prevent any further permission for transaction. The victim submitted FIR on 16.4.2020, case has been registered at Aizawl PS and being investigated.

Following the outbreak of the COVID-19 pandemic, various preventive measures such as quarantine, travel restrictions and lockdowns are being imposed everywhere. Fraudsters and criminals have quickly seized the opportunities to exploit the crisis by adapting their modes of operation or developing new criminal activities. Mizoram Police once again earnestly appeals the public to be alert, constantly vigilant and more cautious in such fraudulent calls and activities.
