## **MIZORAM POLICE PRESS STATEMENT**

NO.F.14018/1/19-SMC/86

Dated Aizawl, the 17<sup>th</sup> July, 2020

### **PUBLIC NOTICE**

There is a new trend of financial fraud being exploited and organized through online internet platforms in the state wherein some fraudsters under the garb of marketing companies are luring people by offering monetary benefits to run a certain money circulation scheme and requiring new members to pay joining/scheme subscription fee. The main modus operandi of the fraud is that the fraudsters send attractive offers to gullible public through Youtube video clip 'view', 'like', 'subscribe' and 'other online internet tasks' and through existing company representatives to find more downline members/representatives on the promise of receiving some commission.

Several such fake companies/schemes have been found and busted in other states of the country and many people have already become victims and have lost huge sums of money by falling for such fictitious schemes. To lend credence to their offers and potential victims, these companies usually appear to have genuine and official government registration documents, however without any legal permission to operate their schemes. Such schemes are strictly banned in the country and punishable under the provisions of law.

Mizoram Police urges and cautions the public to remain alert and not to fall prey and respond to such frauds or scams. In case of any queries or incident, the public are advised to immediately contact Economic Offences Wing under SP(CID Crime) through 0389-2333741 / 2335753/9612081851.
