## **GIST OF THE COMPLAINT**

A complaint was received from Pu Lalremruata, Chief Executive Officer (CEO) of the online mobile OTT platform “Runmawi” regarding unauthorized distribution of a popular movie “Ka U Liana”, which was recently released on their platform. This local Mizo movie is being well received by the public and has the potential to generate large monetary returns for the investors, particularly the producers of the movie. This crime, however, had resulted in the loss of Rs.10 Lakh or more as the extent of the distribution cannot be quantified.

The complainant has identified the main source of the Telegram user to be “Melvyn YT”.

Based on data from Truecaller, the number was found and the number belongs to one “Ref Siama ADBBA” which refers to a referee named Siama of Aizawl District Basketball Association (ADBBA). Technical investigation confirmed that owner of the mobile number is indeed Lalremsiama of Bethlehem Vengthlang. Since the movie can only be viewed for a period of 3 days from the time of purchase, he shared his account details with his friends so that they can watch the movie using his account. However, as more and more friends requested him to share his account details, and as the 3 day period was drawing to an end, he decided to record the movie so that he may share it with his friends, possibly with intent to gain monetary benefit.

In this regard, he searched on Youtube and other websites on how to screen record the movie so that he may pirate the movie for sharing with his friends. After successfully finding a way, he screen recorded the movie and then shared it on Telegram went viral.

The accused was arrested vide PS CCPS FIR No 64/ 22 u/s 63 of Copy Right Act & Sec. 72 of IT Act. Further investigation is going on to identify other persons, if any, involved in spreading this movie online.
