MIZORAM POLICE PRESS STATEMENT

No.F.14018/1/19-SMC/244

Dated Aizawl the 4th October, 2023

HUGE SEIZURE OF CRYSTAL METH AT LENGPUI AIRPORT

In Mizoram Police's relentless and heightened efforts to curb the drug menace and to ensure a tighter vigil for the upcoming legislative elections, a significant catch of suspected rare Methamphetamine (Crystal meth) was made on 3rd of October, 2023 at the Lengpui Airport. The suspected drug 10.4 Kgs. (approx.) amounts to around Rs. 31 crores in the international market.

The contraband was being peddled to Delhi from Myanmar by a lady accused named Lalremthangi (38 years) in a suitcase. When the suitcase was scanned at INDIGO security X-ray baggage inspection system at the Airport, suspicious packages were found. On receiving the above information, Mizoram Police's ANTF (Anti-Narcotics Task Force) unit sprung into action, detected and seized the contraband substance. The lady was immediately arrested and Special Narcotics Police Station Case No.48/23 dt.03.10.2023 was registered under NDPS Act & Foreigners Act.

Initial questioning revealed that the accused lady is a Myanmar citizen and stays in Delhi and works in a Spa there. She had recently visited Myanmar and was travelling back to Delhi through Aizawl alongwith the huge amount of drug to its further destination. This catch by Mizoram police is considered to be the biggest and the rarest in the recent times. It is also worth mentioning here that last month, a similar catch of approx. 3 Kgs of the same rare drug was made by the ANTF, Aizawl amounting to approx 9 crore rupees in the international market.

Investigation in both the cases is now under progress by the officials of the ANTF unit. Mizoram Police once again appeals to the general public to stay away from the drug menace and would appreciate whole hearted support from the general public, NGOs, and the Church to curb this menace and to apprehend these criminals making Mizoram a completely drug free state.
